The Abbott Academy- Prep@Pingree Partnership

Math Teacher Job Description

Grade 10

Prep@Pingree Math Teachers are responsible for preparing and instructing classes for three sections which will meet approximately 14 times during a four week span. Teachers are expected to write brief summer end reports for approximately 60 students from grade 10. Teachers will have two high school assistants.

Prep@Pingree faculty supervises Pingree student instructors, providing direction and support. Student instructors will assist in each classroom. Prep@Pingree faculty is expected to attend all Prep@Pingree trips and events, and provide student comments at the end of the summer. The most qualified candidate is adept at working with people of all backgrounds and interests. A sound academic grounding and willingness to communicate one's knowledge of subject matter and learning habits in a patient, thoughtful and effective manner are required. . Faculty will take direction from the Abbott Academy Assistant Director to perform a wide range of tasks from photo copying to preparing and instructing daily classes to chaperoning trips. Abbott Academy faculty are required to attend staff meetings on July 6 and 7. Opening day is July 10. Staff hours are 8:30 – 3:00 from July 10 through August 4. Faculty shall be employees at will.
