PINGREE
REPORT OF GIVING
Dear Pingree Friends,

What an amazing time it is to be a part of the Pingree community! Every day seems to herald a new beginning, whether it’s in a classroom, on a playing field, in our theater, or on our massive construction sites.

Just this past academic year, I bore witness to astounding initiatives. We opened our Hub in the Learning Commons, becoming a magnet and pilot for other schools looking to transform their traditional libraries into teaching spaces for the new millennium. We launched two more classes using iPads and online source material instead of classical textbooks, once again carefully assessing the best practices and uses of technology rather than recklessly jumping on any bandwagons. The LAB (Learning Across Borders) program sent two teachers to Armenia and hosted two Armenian teachers at Pingree in hopes of initiating a future student exchange. Student exchanges to Spain and Taiwan and an exploratory trip by teachers to Mexico rounded out the year’s activities abroad. Students will also travel to Denmark and England next year.

I could go on and on. Drive down the exit way and you’ll see for yourself the great progress on the arts and athletics facilities that will open in September 2014 to accommodate our talented and exuberant students. What’s invisible, but just as important, is the money we are raising for access, those funds for financial aid and non-tuition expenses that allow students to participate in all aspects of a Pingree education.

As you well know, all these accomplishments are made possible because of the generosity of our donors. Tuition alone does not cover the cost. So, thank you to all those who made this a banner year for the Pingree Fund.

We reached a record $950,625.19!

Whether your gift was $5, $500, $5,000, or $50,000, I thank you for helping us exceed our goal this year in order to support our students with financial aid, classroom materials, athletic and arts supplies, faculty compensation, and so much more. A record setting percentage of our current parents and alumni made gifts to the Pingree Fund, up significantly from last year. Gifts from parents of alumni, grandparents, and friends of Pingree School also made a meaningful impact on the life of our school.

Together, we remain Proudly Pingree.

With my deep gratitude,

Kirk C. Bishop
President, Board of Trustees
Thank you for helping us raise a record-breaking $950,625.19 for the Pingree Fund!

Thank you to everyone in the Pingree community who has supported the school so generously this year!

In our effort to be green, we will publish the lists of donor names online in October. You will be sent an email with a password that you may use to view them.

In compiling our Report of Giving, we made every effort to ensure that the information is accurate and complete. Please direct any changes, errors or omissions in the printed information in the Bulletin or in the information online to the Office of Institutional Advancement.

Additional information on Pingree’s Giving Programs, as well as other gift planning opportunities, can be viewed on our website or obtained by calling the Office of Institutional Advancement at 978-468-4415.
Each year, members of the Pingree community donate gifts to
the Pingree Fund in support of the School's educational mission.
Pingree Fund donations are unrestricted income and are used to
attract and retain dedicated faculty, enrich curricular offerings, meet
emerging program needs, maintain Pingree’s beautiful
campus, support diverse classrooms through financial
aid and help bridge the gap between tuition income and
operating expenses. For more information, contact Diana
Batchelder Mathey, Director of The Pingree Fund and
Leadership Giving at 978 468.4415 ext. 227.

Leadership Giving Societies listed on the following pages
reflect the many generous gifts given to the 2012–2013
Pingree Fund. Please note that these gifts are cash only
received between July 1, 2012 – June 30, 2013.

In compiling this report, every effort has been made to ensure that the information
is accurate and complete. Please direct any changes, errors or omissions to the
Office of Institutional Advancement and accept our apologies.

JOIN US...

Led by the Board of Trustees, the Pingree community created a Campus Master Plan ten years ago. The first step was to build our Academic Center. In doing so, we signified our commitment to an outstanding academic experience for our students. Now it is the time to take the next steps and create the spaces necessary to support our flourishing arts and athletics programs.

While the improvement to our physical spaces is important, so is our commitment to increasing the access of a Pingree education to as many deserving and talented students as possible. That is why access is the third critical element of our campaign. We seek to raise endowment in order to increase financial aid as well as support the ancillary expenses of books, uniforms, trips, transportation and other elements that are essential to a Pingree education.

This is a milestone moment in the history of our school. I invite you to join us in transforming Today’s Pingree.

With ambition and pride,

Dr. Timothy M. Johnson
Head of School
